Cornerstone Women

Dear Ladies of Cornerstone Church,

Wow, this summer sure seems to be flying by. It's hard to believe that it's already July! As we finish up summer and head into fall we have so many wonderful activities happening for the women in our church. Please be sure to read the newsletter and continue checking the announcements on our app for all of the details of each event. For now I want to highlight just one event. This winter we were able to bring Jennifer Walrod in to speak on shame. I know many women were blessed by her talk and the study that followed. We were able to do that because of money that was raised during our craft fair last fall. I dream about bringing in more speakers and offering more learning opportunities for the women in Cornerstone Church and in the community. We are hosting a holiday craft fair again on November 3rd. The money raised at this event will go right back into Women's Ministry Events. We need a large team of women to help put on this craft fair. We need people for set up, clean up, help ahead of time in planning, organizing and communicating with vendors. We need help getting the word out, and also we need people to come support our vendors and help make this one of the best craft fairs in the valley. Please consider stepping up to help in one or more of these areas. Please let me know if you want to help and we will get you signed up.

Blessings,
Ali O'Connor
